March 13, 2020

Dear MPTCS Families:

Out of an abundance of caution due to the public risk presented by Covid-19, all MPTCS schools will be closed for two weeks from March 16th to March 31st, while we perform a thorough, deep cleaning of all schools and offices. We apologize for any inconvenience this may cause; however, the safety and well-being of our students and staff are of our utmost priority.

Schools will reopen for students on Tuesday, March 31st.

Your scholar should have received a learning resource package to complete while out of school. If you have not received a package please let your teacher know. We will also have a ten-day supply of breakfast and lunch during this critical time and will reach out to families directly with a pickup time and location.

This is an evolving situation and we are working with the Department of Health to determine next steps. We know that closing school is disruptive and we appreciate your understanding while we continue to work on a resolution.

Parents, please know our COVID-19 Task Force is diligently working to remain abreast of information related to the virus and its impact on our schools. All decisions regarding this heightened health concern will be made in the best interest of the health of our students, staff and community.

Please take all precautions to remain safe!

Regards,

*Chaleeta Hines*
