- Brief overview on why this is important and how this will role out?
  - Guidance will come to the district from NJDOE if in the event to initiative remote-instruction and operations, this resolution is to be prepared to be able to do so.

## 7. PUBLIC COMMENT

- Cassandra Johnson-Torres - Teacher, PAC Academy
  - Student COVID consent - i believe those forms just got sent home. Maybe if we can offer an instructional video, it may encourage parents to fill them out. What is the COVID protocol if a student is tested positive. What are the appropriate forms/processes for communications? We need more intervention for scholars to move the needle. Substitute teachers - we should offer larger incentives and acknowledge where we're at as a district compared to other districts.
- Lynette Tannis
  - Really appreciate all of the positive things we've heard tonight! As a visual learner, in preparation for speaking tonight I was thinking about my trip to South Africa & learning during a partide, district etc.,. - when they found out Queen Mary was.... I think back to Queen Mary riding in that motorcade.
